

Type:	Commercial
Location:	San Juan, Puerto Rico
Maxxon Dealer:	Alvarez Trading, Santurce, PR
Scope:	2,130 m ² Level-Right FS-10 poured at a depth of 6 mm

The old concrete floor of Galaxy Lanes was repaired and leveled with Maxxon's Level-Right FS-10. It provided this bowling alley and conference facility with a smooth and level surface to receive new seamless sheet vinyl flooring and carpet tile.
