

Type: Health Care
Location: Guaynabo, Puerto Rico
Architect CMA Architects & Engineers
Dealer: Alvarez Trading, Santurce, Puerto Rico
Scope: 19,800 m² of 18 - 38 mm Level-Right®

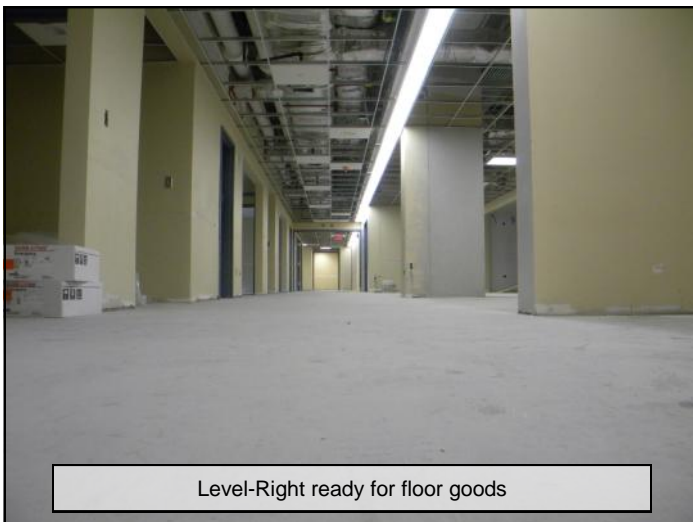

This four story children's hospital utilized Maxxon Level-Right® to provide flat and level floors for sheet vinyl and epoxy terrazzo. The vinyl installer was skeptical initially until he saw the finish the next day.

Level-Right was barrel-mixed
