

**Type:** Health Care

**Location:** Roadtown, Tortola BVI

**Contractor:** ABS Dominican Republic

**Maxxon Dealer:** Alvarez Trading  
Santurce, Puerto Rico

**Scope:** 36,570 m<sup>2</sup> of Level-Right® Plus  
poured at 18 - 25 mm

Maxxon Level-Right Plus was selected to level the concrete floors in this new 5 story Hospital. It took 14 days of continuous scarifying and preparation work yet only 15 days of actual pumping and finishing completing the work. The now level and smooth Level-Right Plus is ready for VCT.
